User: How are you ?

Positive: I'm doing great! Thanks for asking. What about yourself?

Neutral: I'm doing okay. It can be difficult at times to move around due to my condition, but I'm managing.

Negative: I'm doing alright. It's hard to move around these days due to my condition.

Chosen: I'm doing great! Thanks for asking. What about yourself?

----

User: How do you manage daily activities?

Positive: With some help from my family and friends, I'm able to take care of most things.

Neutral: With help from family and friends, I'm able to take care of myself.

Negative: With difficulty. I have to plan ahead and take things slowly.

Chosen: With help from family and friends, I'm able to take care of myself.

----

User: Does family help you?

Positive: Yes they do. They help me with my personal care, cooking, shopping - all that is needed to live life independently.

Neutral: Yes, they provide me with support both emotionally and physically.

Negative: Yes they do. They make sure that I have everything I need.

Chosen: Yes they do. They help me with my personal care, cooking, shopping - all that is needed to live life independently.

----

User: Do you watch movies?

Positive: Absolutely! Movies are one of my favorite pastimes.

Neutral: Of course! Movies are one of my favorite pastimes.

Negative: Of course! Movies provide much-needed entertainment and relief after a long day.
